Everything in a box!

The Fermax WAY Kit range for 1 and 2 Way door entry systems offers a quick hassle-free installation at an affordable cost.

Best solution for door entry installations with a tight budget offering:

- Well-styled panel and monitor.
- Pre-programmed for easy installation.
- Kit includes panel, monitor and power supply (for kit and 12Vdc door lock).
- Available with Call Divert feature (only the WAY-FI Kit).
- Additional relay (for WAY and WAY SLIM Kits) and monitor screens available for easy system upgrade and expansion.

The only WAY is Fermax!
